Halogen Bulb

Part no.:HH0H301CL

H3 12V55W clear

Cap: PK22S

ECE R37: E1,E13

DOT: none

| | |
|----------------------|-------------|
| Technical adta | R37 |
| Test voltage | 13,2 V |
| Power | 68W max |
| Luminous flux | 1450 lm±15% |
| Luminous maintenance | 90% min |
| | |
| | |

| | |
|--------------------------------------|---------------|
| Rated life at - characteristic Tc | 13,2V 300h |
|--------------------------------------|---------------|

| | |
|-----------------------------------|----------------------------------|
| Maximum operating temperature: | 800°C max bulb 400°C max bulb |
| Operating position: | horizontal |
